

Corporate Social Responsibility (CSR) Policy

Element International Trade Inc. is committed to being a responsible corporate citizen by actively contributing to the sustainable development of the communities and industries we serve.

As a wholesaler of patented FIBCs with applications in mining, chemical, agriculture, and food sectors, we recognize our broader role in advancing environmental stewardship, ethical business, and social well-being.

Our CSR commitments include:

- Supporting our clients' sustainability goals through innovative, 100% recyclable FIBC packaging solutions.
- Promoting circular economy principles by integrating recycled raw materials into our product lifecycle.
- Maintaining fair, safe, and inclusive workplace practices.
- Ensuring transparency, accountability, and ethical conduct in all our operations and partnerships.
- Engaging with suppliers that align with our sustainability and ethical standards.
- Supporting community initiatives that align with our environmental and social values.

This policy reflects our dedication to embedding social responsibility into our core business strategy and decision-making processes.
